Polemarch's Address

As we approach the end of the summer months and as I submit my Polemarch's Welcome for this edition of the Hamer Observer, it is truly a bitter sweet moment. Over the course of this past summer, we have had the opportunity to fellowship at various leisure events and fundraisers. We all were also able to handle our Kappa Business and enjoy each other's company at our 83rd Grand Chapter Meeting in Orlando. But in the midst of all the summer fun, travelling, Kappa business and fellowship, our community – both local and the larger global community, has called us into action to help, aid and assist them as a chapter of civic minded men!!!
the video which tells our story. 80 years of achievement.

A little over a year now, NYA has been holding a prayer call each and every Tuesday morning at 7 am. The prayer call has given brothers the opportunity to come together not only as Kappa Men, but also and more importantly as brothers in Christ.
